ORIGINAL PRINTS: A NATIONAL PRINTMAKING SHOWCASE

ORIGINAL PRINTS is a dynamic national exhibition presented by PrintAustin in collaboration with the Art Center of Corpus Christi. Juried by acclaimed curator Rigoberto Luna, this exhibition showcases a diverse range of contemporary printmaking practices from artists across the country.

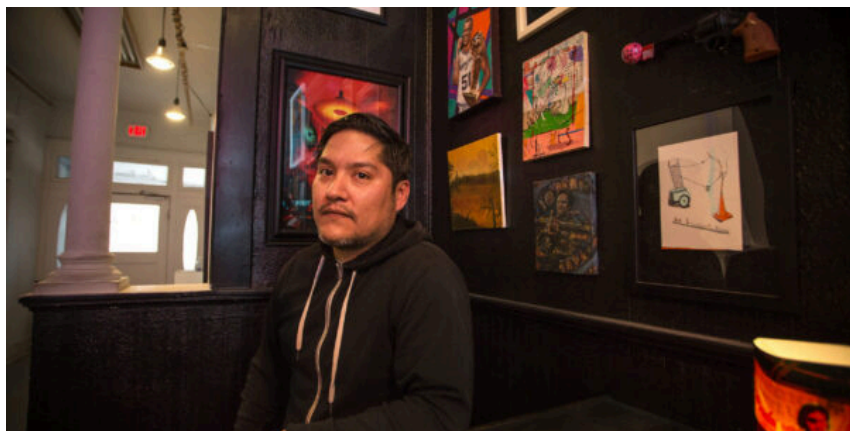

Featuring work in lithography, intaglio, relief, screen printing, monotypes, and hybrid techniques, ORIGINAL PRINTS highlights the innovation and breadth of printmaking today. These selected works demonstrate the vitality of the medium and the voices pushing its boundaries.

PRINTAUSTIN

PrintAustin Collective is an artist-led nonprofit organization dedicated to promoting the art of printmaking and print collecting. Our mission to the Austin art community and galleries is to share our enthusiasm for printmaking by helping galleries curate, exhibit, and promote works on paper, and to engage a wider audience through in-house artist talks, signings, panels, printmaking demonstrations, and print-focused art happenings during our annual festival held January 15 - February 15.

OUR JUROR

Forthcoming exhibitions include *Things Left Unsaid* at James Cohan Gallery in New York City; *Ya Hecho: Readymade in the Borderlands*, opening July 2025 at the Tucson Museum of Art; and *Soy de Tejas: A Statewide Survey of Latinx Art* at The Cheech Marin Center for Chicano Art & Culture of the Riverside Art Museum.

VENUE AND COLLABORATOR

The Art Center of Corpus Christi

Over the past 50 years, The Art Center has evolved into a thriving intersection of creativity and community located in the heart of Corpus Christi's bay front district. It is a unique organization in the Coastal Bend that provides all levels of art making education along with a venue to exhibit and sell art.

The Art Center is a destination for artists, school groups, visitors, tourists, and community members to view rotating exhibitions of original artwork and engage in art making experiences.

Art Center programs are vital to the development and survival of South Texas' unique creative culture. Education and exhibition programs help advance artists (of all ages and stages) career and the audience for their art.

The Art Center of Corpus Christi is a 501(c)3 non-profit organization and relies on individual donations, dues, along with foundation grants to support the "free admission for everyone every day" policy, outreach programs and affordable art education programs open to all.

THANK YOU!

We extend our sincere thanks to all of the artists who participated in this exhibition — and to everyone who applied. Your enthusiasm and creativity continue to inspire us. Special thanks to our juror, Rigoberto, for lending his time and expertise; to The Art Center of Corpus Christi for their partnership; and to Benjamin Muñoz and Rachel Mitchell for their tireless work behind the scenes. We also appreciate the efforts of our intern Bette and the continued encouragement from our community of supporters. Finally, we offer our deepest gratitude to the Texas Commission on the Arts — our 2025 summer programming would not have been possible without their generous support.
